

Resume

Forouhar Farzaneh

Professor
School of Electrical Engineering
Sharif University of Technology
P.O. Box 11155-4363 Tehran
Iran

Email: farzaneh@sharif.edu

<http://sina.sharif.edu/~farzaneh>

Phone: +98-21-66164331

Fax: +98-21-66023261

WORK EXPERIENCE

Professor, School of Electrical Engineering, Sharif University of Technology, 2002-
to date

Associate Professor, School of Electrical Engineering, Sharif University of
Technology, 1997-2002

Visiting Professor, Microwave Communications Department (EMIC), Universite
Catholique de Louvain, Belgium, 1996-1997

Assistant Professor, School of Electrical Engineering, Sharif University of
Technology, 1989-1996

Assistant Professor, Department of Electrical Engineering, Tehran Polytechnic
University 1985-1989

Academic Positions

Advisor to the University President, Sharif University of Technology, 2014 to date

Secretary of the University Council, Sharif University of Technology, 2012 to date

Director, Brilliant Talents Office, Sharif University of Technology, 2011- 2013

Director, Communication Systems Group, School of Electrical Engineering, Sharif
University of Technology, 2005-2010

Plenipotentiary representative of the University for the Development of the School of Electrical Engineering 1998-2001
(Supervised the financing, commissioning and construction of 6300 square meters East Wing Extension Building of the School of Electrical Engineering)

Director, Microwave and Optical Communications Group, 1997- 2014

Vice-chairman for Graduate Studies, School of Electrical Engineering, Sharif University of Technology, 1997-2003

Chairman, School of Electrical Engineering, Sharif University of Technology, 1992-1995

Director, Electronic Research Center, Sharif University of Technology, 1990-1992

Vice-chairman, Department of Electrical Engineering, Tehran Polytechnic University 1986-1988

EDUCATION

Doctorate, Electronic Engineering (Microwave and Optical Communications)
University of Limoges, France 1985.

DEA Electronic Engineering
University of Limoges, France 1982.

Master degree, Microwave and Satellite Communications
ENST, Paris, France 1981.

B.S. Electrical Engineering (5 years Program)
University of Shiraz, Iran 1980.

HONORS

Recipient of IEEE Iran Section Hakkak award (in recognition of tremendous and life-time contribution to national development and propagation of research in communications engineering), 2015

Co-recipient of Mojtahedi Innovation Award by SUTA, 2010

Co-recipient of THE MAXWELL PREMIUM, IEE, Microwaves Antennas and Propagation, 2001

Co-recipient of the Microwave Prize, European Microwave Conference, 1985

Top DEA graduating student from University of Limoges (Electronics), 1982

Top graduating student from University of Shiraz (Electrical Engineering), 1980

SOCIETY MEMBERSHIP

-Senior Member, IEEE

-Founding Member, Iranian Association of Electrical and Electronic Engineers (IAEEE)

-Scientific Committee Member, Iranian Conference of Electrical Engineering (ICEE)

- Member of Electrical Engineering Educational Programming Committee, Ministry of Science, Research and Technology of Iran

Selected Journal Papers
